

Eton School Parent Questionnaire

Child's Name _____

Current Grade _____

Message to Parents: This questionnaire gives you an opportunity to share some of your insights about your child's abilities and interests. It will help us form an accurate picture of your child and not be used to predict future accomplishments. Please add any comments that will help describe your child, being as specific as possible. Return this form to the Admission Office no later than the application deadline of February 1.

1. What are your child's special strengths, interests or talents?

2. Please describe your child's social skills in making and keeping friends.

3. In what outside group activities does your child participate?

4. In general, what kinds of situations does your child seem to find most frustrating?

5. How would you characterize your child's feelings about school?

6. What has your child's response been to daily homework assignments (or home responsibilities)?

7. Will your child need any special accommodations to help with learning challenges or social/emotional adjustment difficulties that can affect his/her day-to-day performance in the classroom? Please explain.

8. Describe any professional assessments/evaluations that have been administered to your child. Please include the name/type of test, who administered it (individual or agency) and location of test results.

9. What do you hope your child will gain as a student at Eton School?

10. What are your plans for your child after completing the current program? Will he/she continue on to the next level (lower elementary, Eton Veladare Academy) at Eton School?

11. What would you like to share about your child's cultural/ethnic background?

12. What else would you like to share about your child?
