Fall 2018 Program Guide: After-School Classes

September 24, 2018 to December 14, 2018

Dear Parents/Guardians,

Welcome to our After-School Classes! Our primary goal is to offer developmentally appropriate and enriching classes that balance and complement the regular school day. There are three sessions, Fall, Winter, and Spring. The Fall and Winter sessions have ten weeks, while the Spring session has eight weeks and each offers a variety of classes such as art, dance, LEGO robotics, karate, soccer, and more.

- Registration Policy for After School Classes:
- Online (including payment) via Eton School's website.
- Opens on Monday, September 17, at 7:00 a.m.
- Closes when a class wait list is full or on September 28.
- Offered on a first come, first served basis.
- Wait lists are created for all full classes in the order received.
- Open spots in classes are filled from the wait list in the order received.
- Upon completion of registration and payment, a confirmation email is sent to the person registering the student. If it does not arrive, please check junk mail/clutter folders.
- If registering for an open spot from the wait list, the registration must be completed within the stated time frame or else the place goes to the next name on the wait list.

If an enrollment minimum is not met, a class may be canceled after the registration deadline, and we will issue a refund. All participants are informed of the class cancellation at the minimum of a week before the start of the class. We do not provide refunds for withdrawing from a class after September 28.

We have also included information on the different Clubs for Upper Elementary and Middle School in this guide. While registration is not required to join a club, student participants are considered to be in Clubhouse and are charged as such.

If you have any questions, or if you have a class you want to be included in our program, please do not hesitate to contact our Auxiliary Program Coordinator, Sharon Gonzalez at (425) 881-4230 ext. 133 or SGonzalez@etonschool.org.

This is a storytelling and science class that allows students to explore their natural world. Each week focuses on a different plant or animal from the Northwest. The class begins with a song and then a spoken story, usually from a Native American nation. Then two or three books, both fiction and nonfiction are read aloud. Short science lessons about the plant or animal studied that week are presented between stories. Through storytelling, music, movement, and science, students learn to connect with and understand our Northwest plants and animals, which often live in our backyards. At the end of each class, students receive a fact sheet from the lesson to take home, so that they can share what they have learned with their family.

Cost: \$162.50

Time: 3:20–4:20 p.m.

Number of Students: 15

Art for Kids School is delighted to bring their program to the students at Eton School. As an established after-school multimedia fine art program with a 30-year history of teaching fine art to children, their unique program is designed to provide an opportunity for children to explore and develop confidence in their creativity in a variety of materials. In an ongoing sequential program, skills are developed much like in ballet or piano lessons. Art for Kids School teaches techniques rather than expression. All instructors have fine art degrees and are passionate about art and teaching children. Their philosophy is all children have an innate ability to be creative. The creation of art is a process whereby there are no mistakes. All seeming mistakes can be changed into desirable results. We hope your children will enjoy our program.

Hip-Hop (9 Weeks)

Grades K, 1, 2 and 3

Fridays (Sept. 28; Oct. 5, 26; Nov. 2, 9, 16, 30; Dec. 7, 14)

Cost: \$239.00

Time: 3:20–4:20 p.m.

Number of Students: 15

Dance uplifts, unites, and empowers children. It also provides children with an opportunity to express their individuality while working on gross motor skills and developing cognitive and social skills. Hip-Hop is the perfect class for children who want to dance, stay active, and learn how to freestyle! Musicality, rhythm, and creative movement are key components of this fun, urban/street-style dance class that teaches boys and girls alike to step, stomp, and shake it out.

Grades 6, 7 and 8

Mondays

Time: 3:30-4:45 p.m.

Cost: \$11.00/hour (Charges appear and are billed as Clubhouse)

Location: Veladare

The Middle School Writers’ Workshop is founded on the idea that writing is a life skill like other arts and like sports that deserves dedicated support beyond homework and classes. The purpose is to provide time, space, and coaching to support Eton Middle School students in their development as writers. The coaching provided will be from a multitude of sources: peers, teachers, professional writers, writings of various kinds, and videos/podcasts. The goals are to give Eton middle school students the following: support for their various writing projects, strategies for improving their writing skills, and tools to develop a sense of themselves as writers. This club supports Eton’s mission and vision by fostering the student’s development of their unique and diverse voices as writers. The students will have opportunities to work independently as well as collaboratively. This Club is run by parent volunteer, Dr. Erika Flescher who was a writing instructor at the high school and college levels, with Dr. Walker as Club Adviser.

ETON SCHOOL

Vision

In educating the whole child, Eton School inspires creative, confident thinkers who have an enduring passion for learning and are poised to contribute to the world.
