## Spring 2019 Program Guide: After-School Classes

### April 15, 2019 to June 7, 2019

Dear Parents/Guardians,

Eton School is excited to offer its Spring After-School Classes. These carefully selected classes enrich and extend the learning that happens in the school day. We are delighted to offer a Circus Art Class by Synapse Circus Center and a ballet class taught by the Emerald Ballet Theater for Pre-elementary students. For our Lower Elementary students, new this Spring are a cartoon drawing class by Young Rembrandts, and Snapology's Brick Art History and Design class. Popular classes like Karate, Soccer, Carpentry, Sewing are back as well. Spring classes are eight weeks with the exception of Monday classes which are seven, and Friday which are six. Classes meeting less than eight weeks are indicated.

An important note when registering your child for a class: All classes have grade requirement information. Your child must currently be in the grade listed to attend the class. The grade requirement helps ensure that all the students receive the best class experience.

#### Registration Policy

- Processed online (including payment) via Eton School's website.
- Opens Monday, April 1, 2019, at 7:00 a.m.
- Closes when a class wait-list is full or on April 19.
- Offered on a first come, first served basis.
- When a class is full, a wait list is created in the order received.
- Open places in class rosters are filled from the wait list in the order received.
- Upon completion of registration and payment, a confirmation email is sent to the person registering the student. If it does not arrive, please check junk mail/clutter folders.
- If registering for an open spot from the wait list, the registration must be completed within the stated time frame, or else the place is offered to the next name on the wait list.
- If an enrollment minimum is not met, a class may be canceled after the registration deadline, and a refund is issued. All participants are informed of the class cancellation at the minimum of a week before the start of the class.
- No refunds are given for withdrawing from a class after April 19.

#### Tips for Quicker Registration

- Log in to Eton School's website before registration opens to complete the parent/guardian and student fields automatically.
- Choose and rank the desired classes before registration opens to quickly pick them once you are on the registration page.
- Complete all registration before the 10-minute limit expires. If you do not complete your registration with payment within the time frame, the spot is released.

If you have any questions, or if you have a class you want to be included in our program, please do not hesitate to contact our Auxiliary Program Coordinator, Sharon Gonzalez at (425) 881-4230 ext. 133 or [SGonzalez@etonschool.org](mailto:SGonzalez@etonschool.org).

Synapse Circus ([www.synapsecircus.com](http://www.synapsecircus.com)) is a recreational circus school devoted to developing the ability of its students to express themselves through circus arts. The company is founded on the concept that regardless of age, size, or gender, everyone can enjoy the world of circus! The class is a novel and exciting way to explore different body movements, and designed to focus on developing a student's large motor and social skills. All this is done through age-appropriate skills such as throwing, catching, simple tumbling, jumping, balancing, and object manipulation that encourages and fosters imagination. The students are encouraged to work together as a group and individually. Teacher to student ratio is low, so each student receives plenty of individual attention.

This is a storytelling and science class that allows students to explore their natural world. Each week focuses on a different plant or animal from the Northwest. Class begins with a song and then a spoken story, usually from a Native American nation. Then two or three books, both fiction and nonfiction, are read aloud. Short science lessons about the plant or animal being studied that week are presented between stories. Through storytelling, music, movement, and science, students learn to connect with and understand our Northwest plants and animals, which often live in our own backyards. At the end of each class, students receive a fact sheet from the lesson to take home, so that they can share what they have learned with their family.

Cost: \$157.50

Time: 3:20–4:20 p.m.

Number of Students: 8

Carpentry is a hands-on toy building experience designed to teach students practical woodworking skills with an emphasis on the safe use of hand tools. We create unique opportunities for students to construct fun and exciting projects while empowering them to become independent thinkers—building confidence, self-esteem and a repertoire of practical skills that last a lifetime. At the end of the session, each student goes home with at least two projects that they made and painted by hand.

## Lil Ballers (7 weeks)

Grades 2 and 3

Mondays (April 15, 22, 29; May 6, 13, 20; June 3)

Cost: \$175.00

Time: 3:20–4:20 p.m.

Number of Students: 12

In the LocalHOOPS Lil Ballers program, students learn the fundamentals of basketball, sportsmanship, teamwork and healthy habits while practicing skills and having fun. In each class students explore games in a fun and nurturing environment with group activities, small skill stations and games such as “sharks and minnows.” Special theme days are held where students receive prizes based on participation.

## Young Rembrandts Cartoon Drawing

Grades: 1, 2, and 3

Thursdays (April 18, 25; May 2, 9, 16, 23, 30; June 6)

Cost: \$180.00

Time: 3:20–4:20 p.m.

Number of Students: 20

Does your child have a great sense of humor? If so, your child will LOVE our Young Rembrandts Cartoon class. Students learn to personify inanimate objects by breathing life into the sun and moon while transforming them into funny cartoon characters. A humorous bird feeding sequence teaches visual and sequential story telling. We’ll also create drawings that feature colorful and expressive forest animals.

## 1st–6th Grade Classes
